

Day of Service Prep Checklist

PREPARING FOR YOUR SERVICE APPOINTMENT

✓ CLEAR THE WORK AREA

Prior to our arrival, please remove all items from the service area including **VEHICLES**, furniture, doormats, potted plants, decorations, and any objects you don't want exposed to water or cleaning solutions. Our team DOES NOT move items in the work area - anything left behind will result in an "unprepared job site" determination.

✓ PROTECT ELECTRONICS

For building wash services, please remove or protect exterior electronics including:

- Doorbells
- Security cameras
- WiFi routers
- Other sensitive equipment

If you prefer not to remove these items, please inform us so we can avoid those areas during cleaning.

✓ SECURE YOUR PROPERTY

- Close all windows during the service appointment
- Inform other household members about the cleaning schedule
- Secure pets in a safe area away from the work zone
- Please clean up any pet/human waste in the work zone to prevent it from getting on technicians or equipment.

✓ PAYMENT INFORMATION

If you won't be present during service, payment must be completed beforehand. You'll receive a digital invoice a few days prior to your appointment with convenient online payment options.

✓ SCHEDULING NOTICE

Please do not schedule other contractors during your appointment time. Overlapping services prevent us from working efficiently and will result in:

- Cancellation of service for that day
- Unprepared job site fee: \$75 (residential) or \$300 (commercial)
